# MEDICARE SUPPLEMENT

Part A and Part B expenses  
not covered by Medicare

# INTRODUCTION TO MEDICARE SUPPLEMENT

A Medicare Supplement policy is an individual supplemental health insurance plan that provides benefits for all or part of the deductible and coinsurance amounts not covered by Medicare. The Omnibus Budget Reconciliation Act of 1990 (OBRA '90) permits issuance of a Medicare Supplement policy to individuals who have other health insurance plans, such as Long-Term care, specified disease or hospital indemnity policies. However, it is unlawful to sell a Medicare Supplement policy to an individual who already has a Medicare Supplement policy, unless the new policy will replace the existing policy.

## BASIC BENEFITS

**Hospitalization:** Part A coinsurance, plus coverage for 365 additional days after Medicare benefits end.

**Medical Expenses:** Part B coinsurance (*generally 20% of Medicare-approved expenses*) or co-payments for hospital outpatient services. Plans K, L & N require insureds to pay a portion of Part B coinsurance or co-payments.

**Blood:** First three pints of blood each year.

**Hospice:** Part A coinsurance.

## MEDICARE SUPPLEMENT PLANS

The chart below shows the benefits included in each of the standard Medicare Supplement plans. Every company must make Plan A available. *Some plans may not be available in your state. See your state's Outline of Coverage for details about ALL plans.*

\*High Deductible Plan F – a high deductible plan that pays the same benefits as Plan F, after one has paid the calendar year deductible. Benefits from high deductible plan F will not begin until out-of-pocket expenses exceed the calendar year deductible. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

\*\*Except up to \$20 co-payment for office visits and up to \$50 co-payment for ER visits.

## THE SALES PROCESS

### SALES TOOLS

- Outline of Coverage
- Application packet
- Brochure (*optional*)
- MyPolicyHQ.com (*see pg. 70 for details*)

### LEAVE BEHIND MATERIALS

Here is a list of marketing materials every agent should have when completing a sale. Some of these materials are required by your state.

- Outline of Coverage for State (*required*)
- Brochure (*optional*)
- *Choosing a Medigap Policy: A Guide to Health Insurance for People with Medicare* (*required*)
- Replacement Form, if replacement Policy (*contained in application packet, required*)
- Any other state-specific forms included in your application packet to be left with applicant (*required*)

### THE NEW POLICY

- Policy – Check to ensure that the issued policy matches the requested policy.
- Policy Identification Card – For your customer's use when purchasing health care services. A permanent laminated card will follow the delivery of the policy.
- Delivery Receipt – The insured is to sign the delivery receipt and return it to the administrative office. (*In states where required.*)
- Endorsements – Your customer's policy may not be issued as applied for. If so, an endorsement indicating a different underwriting class is included with the policy, giving the applicant the opportunity to accept or decline the offer. If the offer is accepted, the endorsement must be signed by the customer and returned, filed and the account activated. The customer may call our New Business department and provide verbal authorization to accept the different underwriting class and a different premium, if applicable. Failure to return this signed endorsement or failure to call New Business within 30 days (*free look period*) will result in an automatic cancellation of the policy. (If the offer is declined, the policy is terminated as not taken.)
- There is an initial 12-month rate guarantee. Rate increases to each respective customer will be separated by at least 10 months.

## UNDERSTANDING THE APPLICATION

### OUTSIDE OPEN ENROLLMENT (EXCLUDING GUARANTEED ISSUE)

- Submit a completed application. Health questions should be answered.
- A Phone Verification (PV) and a prescription database check will be required for all applicants.

### DURING OPEN ENROLLMENT

- The Medicare Supplement Open Enrollment (OE) period lasts six months. OE generally starts on the first day of the month in which the applicant is both, age 65 or older and enrolled in Medicare Part B. *Check with your state for any additional Open Enrollment periods.*
- Submit a completed application. Medical questions **should not** be answered.
- All plans for sale in the state of residence will be available.

## OPEN ENROLLMENT/GUARANTEED ISSUE QUOTING RULES FOR PLANS<sup>1</sup> A, B, C, D, F, G & N

(Refer to Guaranteed Issue guidelines in the current CMS Guide, *Choosing a Medigap Policy: A Guide to Health Insurance for People with Medicare*.)

### ATTAINED AGE & ISSUE AGE STATES

- During OE and Guaranteed Issue, plans should be quoted at the Preferred rate for the applicant's age, regardless of tobacco use. In Florida, regardless of Open Enrollment or Guarantee Issue, plans should be quoted based on the applicant's age and tobacco usage, using the Tobacco and Non-Tobacco rates.

### DISABLED APPLICANTS UNDER THE AGE OF 65

- Applicants who are under the age of 65 and are disabled (*according to Medicare qualification criteria*) are generally not offered coverage unless an offer is mandated by the state in which they live. Refer to *Medicare & You*, the official government handbook, for details and updated state guidelines (*also available online at [www.medicare.gov](http://www.medicare.gov)*). Applications must be mailed with a wet signature and a check.

### DISENROLLMENTS/GUARANTEED ISSUE

If the proposed insured loses health coverage under certain circumstances, he or she will have a guaranteed right to purchase Medicare Supplement Plans A, B, C or F offered by the company in the applicant's state.<sup>1</sup> He or she must apply within 63 calendar days following notification of loss of coverage or the actual date that coverage terminates. (*If the applicant applies after 63 calendar days, full underwriting will be required.*)

Check for any other specific rules in the applicant's state. Once you have determined that Guaranteed Issue circumstances apply:

- Complete an application with the proposed insured.
- Submit a copy of the disenrollment/termination letter, including the policyholder's name and termination date by fax, to (888) 695-2591. Be sure to include the policy number. Additional documentation may be required for certain Guaranteed Issue rights.
- Medical questions should not be answered.

## COMPLETING THE APPLICATION

All sections of the Medicare Supplement application must be completed. Make sure to refer to the application relevant to your state when reviewing this guide.

### THE FOLLOWING GUIDELINES APPLY TO ALL APPLICATIONS

- We accept Med Supp applications for customers who are not current Med Supp contract holders of companies insured or administered by Cigna Supplemental Benefits. This includes policy conversions and exchanges.
- Both the issue state and the residence state must be based on the applicant. Agents must be licensed to sell Med Supp in the applicant's state of residence either by a state resident or non-resident license in order to take an application.
- All agents must also use the current application packet for the insured's resident state at the time of application. Applications received for processing that are based on the agent's issue state and not the applicant's resident state will be returned.
- Check all calculations against the premium rate charts and/or rate tools, including plan code, area rating, age, etc. Be sure to use the correct modal factor on the rate chart.

<sup>1</sup>Check your state's Outline of Coverage for available plans.

- A Phone Verification (PV) interview must be conducted on Med Supp applicants with the exception of Open Enrollment or Guaranteed Issue applications submitted with a wet signature. *See pg. 68 for more information.*
- Payer/payee guidelines: Each policy is an individual contract. Premium payments will be accepted only from the policyholder or an immediate family member. No third-party payers will be accepted.
- It is illegal to sell a Medicare Supplement plan to an individual with Medicaid except in certain situations. If the applicant answers “Yes” to question #2 in Section V of the application, then the Company can only sell them Medicare Supplement coverage if one of the following conditions are true:
  - a. Medicaid pays their Medicare Supplement premium; or
  - b. Medicaid only pays all, or part of, the Medicare Part B premium.

Thus, after the applicant discloses that they are covered by Medicaid, either question #2a must be answered “Yes” or question #2b must be answered “No”. Otherwise the policy cannot be issued.

Confirm whether the Medicaid coverage is ending prior to the Medicare Supplement requested effective date. If so, enter this information into the ‘Agent Notes’ section under Part C of the Med Supp application.

Individuals losing Medicaid are eligible for Guarantee Issue within 63 days in the following states: KS, ME, TN, TX, UT and WI.

## FOR WRITTEN APPLICATIONS

Use black ink pen on all documents — no marker pens.

- Draw a line through any errors and have the applicant initial corrections. Do not use correction fluid or similar measures.
- Applications must be submitted within 30 days of the signed application date and cannot have a requested effective date prior to the date the application is signed.
- The requested effective date may not be more than 180 days from the date the application was signed for Open Enrollment cases only. For underwritten and Guaranteed Issue applications, the requested effective date may not be more than 60 days from the date the application was signed.
- Initial full modal premium or signed a Pre-Authorized Collection (PAC) form must be submitted with all applications.
- Applicant and agent must sign and date all designated sections on the application. Power Of Attorney signatures are acceptable only for OE or GI cases.
- We do not accept stamped signatures from either agents or applicants.
- If applicable, all state-required forms (*e.g., replacement, state disclosure and disenrollment/termination letter*) should accompany the application at the time of submission.
- A HIPAA Authorization must always be signed and submitted with the application.

## APPLICATION SUBMISSION OPTIONS

- Online via **EXPRESS APP**, our web-based application tool (*See pg. 66 for details.*)
- Fax via our FaxApp Program (*See pg. 66 for details.*)
- Standard Mail, wet signature required

# UNDERWRITING GUIDELINES

Our underwriting process includes a Phone Verification (*see pg. 52 for details*), prescription drug screening and a check with the Medical Information Bureau (MIB). If an application is submitted as any rate class that does not meet our criteria, you will be notified. A notice of premium due and approved rate class coverage schedule page will be sent with the policy and the application will be held until we receive the additional premium and signed schedule page.

Insurability is based on the conditions listed on the actual application. **Our Underwriting Department will have the final determination in all cases.**

**Congestive Heart Failure and Cardiomyopathy are declinable conditions.**

**Important Note:** The Med Supp business will be issued at the rate class requested by the agent. If the applicant does not qualify for the requested rate class, the next appropriate rate class will be applied.

## PREMIUM CALCULATION AND PAYMENTS

### ONE-TIME ENROLLMENT FEE

There is a one-time enrollment fee (*except in AR & WV*) of \$20.00 (\$6.00 in MS) for each new application.

### PREMIUM MODES

Four modes of premium payment are available: annual, semi-annual, quarterly & monthly. Monthly is available only via bank draft and list bill. Quarterly, semi-annual and annual are available via bank draft or direct bill.

### RATE CLASSES

Preferred (non-tobacco user) and Standard (tobacco user). (*In Florida, Non-Tobacco and Tobacco.*)

### HOW TO CALCULATE PREMIUMS

If you are away from a computer or cannot access **EXPRESS APP**, you can calculate the premiums manually using the instructions below.

1. Determine the age of the insured by looking at the date the application was signed, not the requested date of coverage.
2. Determine the correct rates by using the first three digits of your customer's ZIP code.
3. Decide which mode of premium payment you will use.

For semi-annual and quarterly, use the appropriate conversion formula:

semi-annual = annual premium x 0.520

quarterly = annual premium x 0.265

4. Multiply the annual premium by the applicable factors to obtain the appropriate rate.

Example: \$1,200 (*annual premium*) x 0.520 (*semi-annual*) = \$624 semi-annual rate

*\*For ID, MI, MN and OR the rate is 0.085.*

Mode	Bank Draft	List Bill	Direct Bill
Monthly	0.0833*	0.090*	N/A
Quarterly	0.265	0.265	0.265
Semi-Annually	0.520	0.520	0.520

### BANK DRAFTS

Med Supp policies will draft premiums on the effective date or the customer's chosen draft date following the effective date.

# ANTI-MONEY LAUNDERING (AML) TRAINING

## REQUIRED TRAINING

Before you can sell a Whole Life policy, you must complete Anti-Money Laundering Training. You may have completed similar training with other vendors or carriers; however, CSB requires that you complete the LIMRA courses as outlined below:

1. If you have never completed LIMRA AML training, you will need to complete the initial *Anti-Money Laundering for Insurance Producers* course found on the LIMRA website prior to writing any Life product with any of our companies.
2. If you have already completed this course, you will have to complete the LIMRA refresher course for the current year.
3. If you have any questions about our AML training program requirements, please contact Agent Licensing at (877) 454-0923.

**We cannot accept business for Whole Life from agents that have not completed the required AML training.**

## LIMRA TRAINING INSTRUCTIONS

1. Visit <https://aml.limra.com> and enter your username and password in lowercase letters in the spaces provided. (*The login function is case sensitive.*) Your username is the first four letters of your last name plus the last six digits of your Social Security number. If this is your first time accessing the course, your password is your last name. For example, John Smith, whose Social Security number is 000-12-3456, would have the following username and password:

Username: smit123456

Password: smith

You will then be prompted to change your password. (If you have previously accessed the LIMRA site, please use the password created at that time. Online help is available through the Forgot Your Password link if you do not recall your password.)

2. Complete one of the following courses:
  - a. *Anti-Money Laundering for Insurance Producers* – Complete this course if it is your first time completing an AML course through LIMRA.
  - b. Complete refresher course for the current year if you have previously completed Anti-Money Laundering for Insurance Producers through LIMRA. There are two versions of the course available—one with Flash enabled and one without. You are only required to complete one of these versions.

CSB will automatically receive notification of your course completion. You will not receive a certificate of your completion of the course. The home page indicates whether or not you have completed the assigned material.

Should you have technical questions accessing or navigating within the LIMRA site, please contact LIMRA's technical support partner's help desk at [support@cfmpartners.com](mailto:support@cfmpartners.com) or (866) 364-2380.

**Refer to Appendix A for more details.**

# PREMIUM CALCULATION AND PAYMENTS

## ANNUAL POLICY FEE

There is a \$36 (*may vary by state*) annual policy fee applied to each Whole Life policy. This non-commissionable fee is included in the rates shown on the Rate Sheets (*ARLIC-4-0001, found on **AgentView***).

## PREMIUM MODES

Four modes of premium payment are available: annual, semi-annual, quarterly & monthly. Monthly is available only via bank draft and list bill. Quarterly, semi-annual and annual are available via bank draft or direct bill.

## HOW TO CALCULATE PREMIUMS

If you are away from a computer or cannot access **EXPRESS APP**, you can calculate the premiums manually using the instructions below.

1. Determine the age of the insured by looking at the date the application was signed, not the requested date of coverage.
2. Decide which mode of premium payment you will use (annual, semi-annual, quarterly and monthly).  
For modes other than monthly, use the appropriate conversion formula:

annual = monthly premium x 11.43

semi-annual = monthly premium x 5.94

quarterly = monthly premium x 3.03

3. Multiply the monthly premium by the applicable factors to obtain the appropriate rate.

Example: \$33.35 (*monthly premium*) x 5.94 (*semi-annual*) = \$198.10 semi-annual rate

## BANK DRAFTS

## PERSONS WHO BECOME ELIGIBLE AFTER THE EFFECTIVE DATE

If the policy is issued as individual coverage, there is no coverage for family members. If you marry and wish to provide coverage for your spouse, you must then complete an application and pay the additional premium required for family coverage. If the policy is issued as individual coverage and you wish to add a child(ren) as defined in the policy, you must complete an application for a one parent policy and pay any required additional premium.

## AUTOMATIC COVERAGE OF NEWBORN OR ADOPTED CHILD(REN)

Any child born to or adopted by the named insured while the policy is in force as one parent coverage or family coverage is automatically covered from:

1. The moment of birth for a newborn child; or
2. The earlier of the date of placement for the purpose of adoption or the date of the entry of an order granting the adoptive parent custody of the child.

If the policy is issued as either one parent coverage or family coverage, we do not require an additional premium for such child. ### PROCEDURES

For the fastest service, send one application per cover sheet and only one application per transmission, unless sending a combo application. Check the Combo box if you are submitting multiple applications for one applicant. You may send up to five applications with a single cover sheet per transmission. **However, do not exceed 25 pages per transmission.**

Simply complete the application, and fax the following to 877-704-8186.

- FaxApp Cover Sheet
- Application in numeric page order
- Any state-specific or replacement forms, if applicable
- **Copy of the initial premium check, if collected from the customer at the point of sale**

**Medicare supplement under age 65 (disabled) cases are not eligible for the FaxApp Program. You must mail the completed application with a check for the first month's premium to the Imaging – New Business address below.**

### PREMIUM

- Agents are encouraged to utilize the Bank Draft Authorization form to draft for the first premium in lieu of collecting the initial premium from the applicant.
- If you collected initial premium from the applicant, **please indicate the case number on the check** and mail the check, stapled to the top of the FaxApp cover sheet, to:

Imaging – New Business  
P.O. Box 559015, Austin, TX 78755-9015

We must receive the premium within 10 days of receipt of the application. If it is not received within 10 days, we will send you a letter stating that the money for the policy must be submitted immediately. If we do not receive the check after 20 days, a letter will be sent stating that the contract will be cancelled in 5 days, unless we receive payment for the issued contract. **If we do not receive payment after 25 days, a letter will be sent to you and the applicant stating that the file has been closed and the policy has been cancelled due to non-payment of premium.**

## PHONE VERIFICATION (PV)

A Phone Verification (PV) is a phone interview that applicants must complete in order for CSB to process applications. The PV acts as an electronic signature and verifies medical questions with the applicant. The 24/7 PV is an automated system, available any time, to help speed up processing without having to speak to a live person. Completing the PV at the point of sale, not only processes applications faster, it also helps you get paid faster. Refer to the chart below for PV availability. If desired, a PV Associate is available to take calls Monday – Friday from 8 a.m. to 6 p.m. Central Time.

### PV Line: (866) 825-4822

Type of Application	Medicare Supplement		Whole Life	Cancer, Heart Attack & Stroke, Critical Illness and Accident
	OE/GI	Underwritten	Underwritten	
<b>EXPRESS APP</b> (no wet signature)	<b>NOT NEEDED</b> (Applicant Verification in lieu of PV)			<b>NOT NEEDED</b> (Applicant Verification in lieu of PV)
<b>Phone/Fax</b> (no wet signature)	 <b>24/7</b>	 <b>24/7</b>	 <b>24/7</b>	 <b>8 a.m. - 6 p.m. M-F</b>
<b>Paper/Fax</b> (w/ wet signature)	<b>NOT NEEDED</b>			<b>NOT NEEDED</b>

### TIPS FOR COMPLETING THE PV

- Make sure you have completely filled out the application prior to calling our PV line. This includes going over the entire application, if conducting the sale over the phone or using **EXPRESS APP**.
- You (*the agent*) may initiate the PV call; however, the applicant must personally answer all questions. If the PV call is not initiated at the time of sale, it is your responsibility to make arrangements for the applicant to call as soon as possible.
- If the applicant completes the PV on their own, make sure they have:
  - The plan they have chosen and the proposed rate
  - A list of their prescription medications
- The PV will confirm that the applicant received the following:
  - Copy of the Application  
(If applying for Medicare Supplement)
  - Copy of the Outline of Coverage
  - The *Choosing a Medigap Policy: A Guide to Health Insurance for People with Medicare* Guide

The PV cannot be conducted if the applicant does not have all of the above information. The approximate length of the interview is five minutes. For Med Supp, the interview is about 15 minutes, depending Usual and customary underwriting procedures will remain in place.

### CASE NUMBER

Prior to completing the PV, the applicant will receive a PV case number that must be included on the app before submitting.

### MULTIPLE APPLICANTS

When an agent calls in requesting the PV, if both spouses are applying and available, the phone interviewer will conduct one interview, asking the questions one time and having both applicants respond to each question. This procedure could reduce the PV time for both applicants by about 20 minutes. No questions are asked regarding over-the-counter drugs.

Outbound calls can only be conducted as one interview if there is a notification of both spouses applying on the application(s).

# NEW BUSINESS PROCESSING

## DELIVERY RECEIPTS *(in states where required)*

For policies that are hand-delivered by the agent to the customer:

- The agent should explain all the provisions and benefits to the customer, and once completed, the delivery receipts should be signed and dated by the customer and the agent.
- One copy should be returned to the administrative office. The agent should keep a copy for his or her records.
- The agent should deliver policies within seven days of receipt.

**Failure to submit the delivery receipt back to the administrative office will not result in the cancellation of the policy. In some states, this receipt is intended to protect the agent with proof of delivery. In other states, the receipt is required.**

## DECLINED APPLICATIONS

If a customer’s circumstances fall outside of our limits of insurability, he or she will be notified of the decline in the form of a mailed letter. This letter will identify the specific reasons for the decline.

## APPEALING A DECLINED APPLICATION

We will REQUIRE a SIGNED and DATED letter from the treating physician for any appeal, based upon a declinable medication or in-house claims history, as stated above. The agent should contact the Underwriter to determine what will be required with all OTHER declines.

Appeals should be faxed to (855) 239-8763, Attn: Underwriting.

Please note that the Underwriter will make the final determination in all cases.

## RECENT SURGICAL PROCEDURES

We will REQUIRE a SIGNED and DATED letter from the treating physician if the applicant has had a surgical procedure within the past 90 days; or 30 days for cataract surgery. This letter MUST state that the applicant has COMPLETED the requisite follow-up visits and therapy, and has been released from the doctor’s care. Failure to include this letter WITH the application may lead to the declination of the application.

Please note that the Underwriter will make the final determination in all cases.

## INCOMPLETE APPLICATIONS

If there is insufficient information on the application, we will contact the agent during the application process to obtain information. If the information is not received within 30 calendar days, the application is terminated as incomplete and a letter sent to the applicant and agent. Any refund of premium will be returned to the applicant.

## APPLICATIONS WITH PREMIUM SHORTAGES

Applications submitted with premium shortages will be processed with the following guidelines:

Premium Shortage	Guidelines
<b>Up to \$10.00</b>	Policy will be issued with shortage amount taken from agent’s commissions <i>(in this case the agent is expected to collect shortage amount from customer)</i> or via bank draft.
<b>\$10.01 or more</b>	Policy will be issued with a coupon, which is a requirement of additional premium due. Notification of this action will be mailed with the policy to the agent. If the additional premium is not received within 45 days, the policy will be terminated and the initial premium refunded to applicant.

## ELIGIBLE DEPENDENT CHILDREN

Child(ren) means your natural child, stepchild, legally adopted child, a child placed with you for adoption, a foster child, or court-appointed guardianship/order/administrative order for a child including grandchild, who is:

1. insurable and named on the application;
2. unmarried;
3. chiefly dependent on you or your spouse for support; and
4. has not attained the limiting age of 19 or 26 if enrolled as a full-time student in an accredited school or college. (*Ages may vary by state.*)

Child(ren) also includes dependent child(ren), regardless of age, who:

1. are mentally or physically handicapped;
2. became or become handicapped prior to the limiting age; and cannot support themselves because of their handicap.

When a spouse or dependent child is no longer eligible for coverage, a new application must be submitted and the applicant must go through full underwriting.

For all other products, dependents that are no longer eligible for coverage (due to age, etc.), must complete a new application and go through underwriting.

## BENEFICIARY CHANGE

To change a beneficiary designation or to designate a new beneficiary, a Beneficiary Designation Form (*CSB-11-0010BDF*) must be completed and signed. The full name of the beneficiary, date of birth, social security number, address and relationship to the insured must be stated on the form. The form must be signed by the primary insured and dated.

## NAME CHANGE

To change the name of the insured, a Relationship Change and Designation Form (*CSB-11-0010RCDF*) must be completed and signed. The full name of the insured must be shown on the form. The form must be signed by the primary insured and dated. The insured will need to send a copy of updated identification such as driver's license, social security card or marriage certificate.

## ELECTRONIC FUNDS TRANSFER/BANK DRAFT AUTHORIZATION CHANGE

To change the mode on a policy from direct billing to a bank draft, a Pre-Authorization for Electronic Funds Transfer form (*CSB-9-0035-EFT*) must be completed. The bank account number and routing number for the bank must be stated. The bank account holder must sign the form exactly as the signature appears on bank records. Also, a blank personal check with the word "void" across the face of the check must accompany the completed and signed authorization.

## ADDITION/DELETION OF DEPENDENTS

To add or delete a dependent, a new application is required, signed by the policy owner. Mark "Contract Change" from the options at the top of the application. If adding a dependent, the full name, date of birth, sex and relationship to the primary insured must be indicated and the medical questionnaire on the application must be completed. When we receive the completed form, it will be sent to our Underwriting Department for review. All final decisions on a dependent's eligibility will be determined by underwriting. Upon approval, the dependent will be added effective as of the next premium due date after the date of the approval. The increased premium will be billed or drafted at that time.

For deletion of a dependent, the name of the dependent and the reason for deletion must be indicated on the application. There is no need to answer the medical questions, as they are not applicable. Upon receipt of the completed application, the dependent will be removed from coverage and the premium will be adjusted accordingly.

## VERIFICATION OF DEPENDENT STATUS

Please contact our Customer Services department to determine if the child can continue dependent coverage as a full-time student. To verify full-time student status, we will need a copy of the school transcripts in order to continue coverage. *(Ages may vary by state.)*

## INCREASE/DECREASE IN COVERAGE

For an increase in coverage, a new application is required and should be signed by the primary insured. Mark "Benefit Change" from the options at the top of the application and complete the Benefit Selection and Medical Questions. This will be forwarded to our Underwriting Department for review. Our Underwriting Department will make all final decisions for any benefit increase. Upon approval of the increase, the benefits will be added effective as of the next premium due date after the date of approval. The increased premium will be billed or drafted at that time.

For a decrease in coverage, a Contract Service form (CSB-11-0010PSF) is to be submitted and the Special Request field completed indicating the coverage change. The coverage will be decreased and the premium adjusted accordingly.

## REINSTATEMENTS

When a policy lapses, a new application, signed by the primary insured, is required for reinstatement of the policy. Mark "Reinstatement" from the options at the top of the application, complete the medical questions and return to the Underwriting Department at the address indicated below.

**The application must be received within 30 days of the signed date on the form.**

A policy within 90 days of a lapse date will be reinstated and back premiums must be paid. After the 90 days, a new application would be required. *(Some exceptions may apply depending on policy language.)*

If the policy is approved for reinstatement, it will be reinstated with the same policy number. A letter will be sent from Customer Service stating that the reinstatement has been approved and indicating the amount of premium due. Do not submit monies with the completed application.

If the reinstatement is declined, a letter will be sent from Underwriting to the customer with the reason(s) why the policy was not reinstated.

Contact Customer Service at **(877) 454-0923**, or submit request for reinstatement and completed applications to:

## BANK DRAFT/AUTO-PAY

### CHECKING ACCOUNT SET UP

If the monthly (*bank draft/auto-pay*) method of payment is chosen from a checking account, complete the entire Electronic Funds Transfer Agreement in the application packet and obtain the signature of the person who will assume financial responsibility for the policy. If the applicant is under 65, you must mail the application and attach a check for the first month's premium. If faxing, attach a voided check of the account that will be drafted with the FaxApp Cover Sheet (*refer to pg. 67 for details*). Include the bank routing number and account number, as we cannot process the application without this information.

### SAVINGS ACCOUNT SET UP

If the monthly (*bank draft/auto-pay*) method of payment is chosen from a savings account, we must have proof of the account number written in the bank draft authorization section. If mailing or faxing the application, you must send a deposit slip for verification of the account. The applicant should obtain, from their bank, the appropriate routing number to draft from a savings account as the routing number listed on the savings account deposit slip may not be correct. Mark through the routing number on the deposit slip and write in the correct routing number for withdrawals, as provided by the bank. We cannot process the application without this information.

If submitting multiple applications please make sure that EACH application has the bank information completed and signed by the person responsible for payment. EACH application must also have a voided check for checking accounts or a deposit slip for a savings account attached.

### BANK DRAFT DATES

The bank draft date can be different from the effective date. The draft can be set up for any day of the month between the 1<sup>st</sup> and 28<sup>th</sup>. **If no draft date is indicated on the application**, the drafts will occur on the same day of each month that corresponds with the requested effective date. For example, if the policy is effective on April 15<sup>th</sup>, the policy will draft each month on the 15<sup>th</sup>.

## COMMISSIONS

### ADVANCES

If approved by your upline and the Company, advance commissions may be available. Advance commissions on newly issued business will be credited to your account on a daily basis. Advances are paid via direct deposit into the account we have on file for that agent. We will only advance commissions when the initial premium is paid via monthly bank draft/EFT or the customer's personal pre-printed check. We will not advance commissions for business written on family members.

Earned first year and renewal commissions are credited to your account on a bi-weekly basis. You can find the schedule for bi-weekly commission statements on **AgentView** under *Agency Management > Commissions*.

Advances are paid in increments of six, nine or 12 months. For Med Supp, advances are paid in increments of six, nine, 12 and 15 months. Interest is charged on all secured advance balances from inception until they are paid off. An advance balance for an in-force policy (*secured advance balance*) is paid off by commission earned on that specific policy. Once the advance balance is paid off, future earned commissions are payable to the agent. If the advance balance becomes unsecured (*the policy lapses, etc. then the advance balance record is changed to an unsecured advance balance.*) These unsecured balances are paid off by holding 100% of all commissions payable (*new advances as well as earned first or renewal commissions*) until recovered. CSB reports only earned commissions as taxable amounts on agent 1099's.

**Please note:** The maximum advance on Whole Life is \$1,500 per policy. Remember, if death occurs in year one, we will do a full charge back on the policy. This will result in a commission reversal. Please refer to your commission schedule for information about commission reversals and charge backs.

**If you have any questions about your commissions, you can contact Commissions at (877) 454-0923.**

## ADVERTISING REVIEW AND APPROVAL

All advertising materials must be approved by our Compliance and Marketing Departments prior to use. Anything intended to generate public interest in an insurance product, company or agent is considered to be advertising. There are two ways to receive approval of your personal advertising:

1. If you have created an advertisement, submit a copy of the ad for prior approval by completing an Advertising Material Review Request Form (CSB-9-0024, found on **AgentView**). You can obtain this form and complete advertising guidelines on **AgentView** under *Business Building > Creating Ads*.
2. If you are interested in one of our pre-approved advertising materials, you can refer to the CSB Prospecting Portfolio (CSB-9-0031) for a variety of advertisements for Med Supp only. The CSB Prospecting Portfolio can also be found on **AgentView** under *Business Building > Creating Ads*.

## ONCE YOU SUBMIT/SELECT YOUR ADVERTISEMENT

Allow a minimum of five business days for the Compliance Department to review the advertisement.

- CSB will contact the agent with approval of the advertisement or notification of changes that must be made to comply with advertising policy and regulations. Please note that many advertising pieces will also require approval by the applicable state department of insurance.
- In order for any previously disapproved advertising material to be considered further, it must be resubmitted to the Home Office with all of the necessary revisions.
- Once an advertising piece is approved, the Compliance Department will assign an advertisement form number, which must be included in the advertisement. **This approval is good for a period of six months.** Any subsequent use of the advertisement after this period must be resubmitted for approval.

For more information about our advertising policies, please call our Compliance Department at (877) 454-0923 ext. 8074794.

# APPENDIX A

## **PRODUCER'S GUIDE**

to Anti-Money Laundering Program for Agents and  
Producers of the Life Insurance Companies comprising  
Cigna Supplemental Benefits (CSB)

# PRODUCER'S GUIDE TO ANTI-MONEY LAUNDERING PROGRAM FOR AGENTS AND PRODUCERS OF THE LIFE INSURANCE COMPANIES COMPRISING CIGNA SUPPLEMENTAL BENEFITS (CSB)

**As an insurance producer, your skills and services help your customers achieve financial success and security. Because you are on the front lines of a multi-billion dollar industry, you are in a unique position not only to serve your customers, but also to serve the country by helping prevent money laundering and the financing of terrorist activities.**

To comply with the federal anti-money laundering regulations for insurance companies, CSB has adopted a detailed anti-money laundering program. You have an important role to play in that program. As a person who deals directly with customers, you will often be in a critical position to obtain information regarding the customer, the customer's source of funds for the products you sell, and the customer's reasons for purchasing an insurance product. You should expect to collect and retain information needed to assess the risk associated with a particular piece of business – in particular, to identify customers in high-risk businesses or high-risk geographic locations, or those using products or services that may be more susceptible to abuse in money laundering or other illegal activity.

## I. REQUIRED TRAINING

Federal regulations [31 CFR 103.137] require CSB insurance companies to provide their agents and producers with ongoing anti-money laundering training. Thus in order to avoid delays in new business processing, CSB requires that you successfully complete anti-money laundering training provided by LIMRA on an annual basis.

If you are appointed with another insurance company(s) that also utilizes LIMRA for its AML training, you need only take the training once. LIMRA will automatically share the results with all other insurance companies you are appointed with that use LIMRA for its training.

### A. To access LIMRA Anti-Money Laundering training:

1. Visit <https://aml.limra.com> and enter your username and password in lowercase letters in the spaces provided. *(The login function is case sensitive.)* Your username is the first four letters of your last name plus the last six digits of your Social Security number. If this is the first time accessing the course, your password is your last name. For example, John Smith, whose Social Security number is 000-12-3456 would have the following username and password:

Username: smit123456

Password: smith

You will then be prompted to change your password.

2. Click on the *Login* button.
3. Complete one of the appropriate Anti-Money Laundering courses. CSB will automatically receive notification of your course completion.

### B. If you have any AML training program questions, please contact CSB Agent Contracting at (877) 454-0923.

## II. CUSTOMER INFORMATION GATHERING

In order to sell individual whole life insurance policies and other insurance products offered by a CSB insurance company that have a cash value or an investment feature, CSB's anti-money laundering program requires you to ensure that all information requested on the product application form and on any associated documents is accurate and complete. If a customer resists providing any requested information, appears to have provided false or misleading information, refuses to provide an acceptable form of identification or has otherwise provided information that cannot be verified, before contracting you should promptly contact Bridgette Bosier, of the CSB Compliance Department at 512-531-1421, and follow any instructions you are given. Records of this information must be retained as long as the policy or contract remains in force and for five years thereafter.

CSB insurance companies have developed a Notice and Customer Information Form (AR-NCIF or LY-NCIF) to help ensure that all required customer information is obtained. At this time this form must be used in all individual whole life product sales and in connection with the sale of any other individual insurance product that has a cash value or investment feature. An exception may be available as determined by the CSB Compliance Department for a final expense product, but only if a personal history interview and prescription verification are utilized by the CSB insurance company during the underwriting process.

### III. SUSPICIOUS ACTIVITY REPORTING

You must immediately notify us if you detect any money laundering red flags, so that CSB can determine whether a suspicious activity report (SAR) must be filed with the U.S. Department of the Treasury. Typically a SAR must be filed within thirty (30) days of the initial detection of the suspicious activity.

Insurance Industry red flags include but are not limited to:

The purchase of a product that appears to be inconsistent with a customer's needs;

- The purchase or funding of a product that appears to exceed a customer's known income or liquid net worth;
- Any attempted unusual method of payment, particularly by currency or cash equivalents such as money orders, traveler's checks or cashier checks;
- Payment of a large amount broken into small amounts;
- Little or no concern expressed by a customer for the investment performance of an insurance product, but much concern expressed about the early termination features of the product;
- The reluctance of a customer to provide identifying information, or the provision of information that seems fictitious;
- A customer's inquiring about how to borrow the maximum amount available soon after purchasing the product;
- Listing a beneficiary or payee who is apparently an unrelated third party or who otherwise has no apparent relationship to the customer;
- A customer applies for a policy out of state when the same or similar product is available in his/her home state;
- The customer uses an out of state mailing address; and
- Any other activity that you think is suspicious.

If you identify any suspicious activity or money laundering red flags, you must promptly notify the CSB AML Compliance Contact, Bridgette Bosier, at 512-531-1421. In that regard, you may be asked by the CSB AML Compliance Contact or by other CSB management personnel to investigate further or obtain additional information from the customer. If so requested, you must expeditiously obtain any requested information so CSB can determine in a timely manner if a SAR needs to be filed.

The CSB AML Compliance Officer/Contact has the sole responsibility for determining whether to file a SAR and for responding to any regulatory agency's, customer's, employee's, agent's or producer's inquiry regarding suspicious activity or SAR. The fact that a suspicious activity is under investigation, or that a SAR has been filed or considered - including the contents of any SAR that has been filed - are strictly confidential. An agent or producer must not, under any circumstances, disclose that a suspicious activity is under investigation or that a SAR has been filed or is being considered - including the contents of a SAR - to the subject of a the suspicious activity investigation or SAR, or to any third party. Violations of confidentiality related to suspicious activity investigations or reporting may result in substantial civil and/or criminal penalties.

#### IV. METHODS OF PAYMENT

You should advise the customer that only the following types of payment may be used to purchase an insurance product from a CSB insurance company:

- Personal check made payable to the appropriate CSB insurance company;
- Properly completed payroll deduction authorization form;
- Properly completed pre-authorized checking account drafting form;
- Wire Transfers and other forms of electronic funds transfer; or
- Checks from another financial institution made payable to a CSB insurance company for the benefit of a new or existing customer.

If a customer gives you an unacceptable form of payment, you should explain what forms of payment are acceptable, return the unacceptable payment immediately and notify the CSB AML Compliance Contact of the red flag. You should also notify the CSB AML Compliance Contact if you encounter difficulty dealing with a customer regarding CSB's standards for acceptable and unacceptable forms of payment. The CSB Compliance Contact can be reached at (512) 531-1421.

Both CSB insurance companies and their producers share the responsibility of compliance with CSB's AML Program and all applicable anti-money laundering laws. A failure to do so will constitute grounds for discipline up to and including termination of your contract for cause. In addition, violation of anti-money laundering laws may expose those responsible to substantial civil and criminal penalties under federal law.
