

**Monday March 16, 2020- Mutual of Omaha Coronavirus update:**  
**We are Open for Business - Important information regarding coronavirus (COVID-19)**

As you are likely aware, Mutual of Omaha's physical location is temporarily closed. We are practicing social distancing and have asked all associates who are able, to work from home. We appreciate your patience and understanding as we take steps to protect the health and safety of our associates and ensure uninterrupted service to our customers.

Please know that **we are open for business** in a remote capacity. Our processes and procedures are functioning, and we should not experience an interruption in business for either our customers or business partners. We can accept and process insurance applications just as we normally would.

Mutual of Omaha has a multi-disciplinary team of subject matter experts meeting daily to closely monitor, assess and respond to the coronavirus situation as it develops.

Below are highlights and resources available for you to continue your daily business:

- Our customer call centers and claim centers are up and running remotely. However, depending on call volume, please be advised that you may experience longer than normal wait times. We are working diligently to continually assess all processes and procedures to support our commitment to our customers, policyholders and sales distributions.
- Our sales teams are fully engaged and working at normal operations in a remote capacity.
